

2017 AGM Dog Show Report

2017 dog show was a great success (as good as 2015) as you know 2016 was a bit of a wash out but we've bounced back.

Almost a record number of entries, ticket sales about 120 of which some had multiple entries to different classes.

I propose to leave the classes the same for next year for which I already have a judge who is happy with this proposal.
