## 2018 Chairmans Welcome

Welcome to the 67<sup>th</sup> Alfrick and Lulsley Show with its variety of arena events, activities and stalls along with the horticulture tent containing an array of local exhibits and the Companion Dog Show.

We are pleased that the Show's well-loved compere Mike George will be talking us through this afternoon's arena events which include the musical sounds of the Worcester Concert Brass Band, Gun Dog display, Worcester School of Dance and a parade of the Classic Cars. Weather permitting, we will enjoy the acrobatic stunts of a bi-plane and around 5.00 pm a memorial flypast of a World War Two Spitfire.

We are pleased to welcome a number of our 'regulars' along with those who are new. Perhaps two of the biggest changes for us this year are the absence of the Fox and Hounds Beer and BBQ after 15 years of support and hard work from Claire Randall and her team and the long-standing Bric-a-Brac crew who gave many years of service to sorting and selling and which the Malvern Lions have taken over.

We had a fabulous day weather wise last year which enabled us to donate generously to a range of local charities and organisations such as Riding for the Disabled, The Thursday Club and local children's groups. The Alfrick and Lulsley Show is all about continuing to preserve village life and supporting the local community.

On behalf of everyone attending the show I would like to thank the committee who dedicate around ten months of the year meeting each month and doing their bit. I would also like to thank every one of the enthusiastic volunteers who give of their time, setting up in the days beforehand, helping on the day and giving a hand with the clearing up. Without their contribution the show would not happen.

I look forward to meeting many of you round the field today and hope you enjoy the show!

Rev Anne Potter

## CONDITIONS OF ADMISSION

Whilst the organisers and promoters of this event have taken every precaution in the interests of public safety, admission is nevertheless on condition that those attending agree and undertake to absolve the organisers, promoters and every other person participating in the management of the event from all liability in respect of injury to person or persons, and damage to property however caused. It is essential that the public complies with the instructions of stewards or anyone associated with the management of the event<sup>1</sup>.

### **Safety Precautions:**

- At no time must you enter any areas that are fenced, roped or designated non entry to the public unless such permission is given by an event official, such as for taking of photographs. All instructions must be adhered to.
- Do not stand too close to engines under their own power, particularly those transmitting power via a belt.
- At all times if you are accompanied by children you must ensure that they do not enter restricted areas and that they act in such a manner that will not endanger members of the public, exhibitors or officials.
- Should you and your child become separated you should ask someone to tell the Public Announcement (PA)/Control Point whilst you remain in the area where you last saw your child. An event official will then come to you and a search will be initiated.
- Should you be involved in any incident or have any concerns about the event, you must report the matter to the organisers or an event official as soon as possible at the PA/Control Point.
- The organisers have provided FIRST AID at this event. Should you have or witness an accident, the incident should be reported to the PA/Control Point who will call first aid for assistance/treatment.
- Dogs must not be left unattended in vehicles under any circumstances.
- Cars are parked at owners' risk. You are advised to put away all valuables and lock all doors and windows.
- Participation in any events and/or activities including Tug-of-War competition is solely at individuals own risk.
- Whilst the show is pleased to support businesses through programme advertising and stalls at the show it cannot validate or advocate any certificates or claims made and would recommend that before entering into any 'contract' that these are checked for validity and authenticity.

## Garth Lowe

Garth has lived at Old Storridge for most of his life except for a few years when he worked away with the Met Office, and is for ever grateful to his parents who moved here after their marriage. They both came from Worcester so to move out into the countryside must have come as a shock to their parents.

He jokes that although he was most likely conceived at Old Storridge his mother decided that being born at her mothers was a safer bet!

From an early age Garth used the surrounding woods and countryside as his playground learning much about natural history, which has been a theme throughout his life. This eventually led to him becoming the first honorary warden at the Knapp and Papermill Nature Reserve in the early eighties.

Garth has been connected with the village all his life, having now been a Parish Councillor for over 40 years. Since he retired in 2002 has been leading a monthly walk for villagers and friends in and around the Parish. He has also taken on the role of Parish Paths Warden helping to keep the public rights of way in good order.

Garth is now one of a select few who have lived in Alfrick pretty well all of their lives. The changes have been remarkable, so many things gone and much more now added. He has enjoyed living here with a friendly village community and the Show is one thing that has lasted for more years than he can remember. He has memories of the early years as a lad taking part in the children's races and the noisy clay pigeon shoot that was also a part of it.

To be able to open this years show will be a pleasure and something that had never before crossed his mind! We must all be very grateful that enough residents over those years gave up their time to continue this long and successful event.

## THE TALBOT & KNIGHTWICK TEME VALLEY BREWERY AND BAKERY

The Talbot is an historic community Pub, Restaurant and Rooms which has a terrific reputation for locally sourced pub and restaurant food.

Under the same family ownership for the last 35 years, The Talbot has an organically run vegetable garden used extensively by our Chefs together with locally sourced produce. A daily changing large menu with great sandwiches, pub classics and fine restaurant dishes is available all day, every day. We also run food themed days and there is a happy hour Monday to Fridays 5-7pm. Meetings, Conferences and Functions are also a speciality and well catered for with ample parking, free Wi-Fi and function rooms which can cater up to eighty people.

Our Brewery, which has just celebrated its 20th Anniversary has four real ales on the pumps, plus a premium lager beer, which was introduced last summer. Brewery is open for pre-booked tours.

The pub hosts the brewery's three beer festivals in April, June and October, where there is also live music on the Fridays and Saturdays. Cookery courses conducted by our Executive Chef run several times a year. The Talbot also has it's own Bakery selling artisan breads locally.

Distinctive and different with a warm welcome, The Talbot continues its long tradition of hospitality, fine food and drink.

## **Paul Etheridge**

It was with great sadness that we learned of the death of Paul Etheridge in March 2018. Despite living in Worcester, Paul was a very active member of the rural communities here but will be particularly remembered for his dedication to the Scouting movement. He and his wife, June, have been involved in 1st Leigh Scouts for many years providing leadership and role models for the boys (and now girls). Many will have happy memories of him and the activities he organised from family camps and fun days to the regular scout evenings which sometimes included such things as night hikes on the Malvern hills.

Paul was a great supporter of Alfrick & Lulsley Show and Fete and was always willing to help whenever he could. For many years he loaned to the show committee the scout's marquee which he and his team erected and dismantled and which was used for the very popular bric-a-brac stall - a good fund raiser.

In view of their past support for the show and their wider community work, in 2014 Paul and June were invited and kindly agreed to be presidents of the Alfrick & Lulsley Show & Fete. Paul enjoyed and certainly deserved his VIP status that afternoon.

It is a privilege to have known Paul, he was loved and admired by many and is greatly missed.

Worcestershire Oval Race Club, Alfrick Village Hall, WR65H, we are a family friendly club looking to entertain people racing 1/12 scale radio control cars on an oval raceway. The club runs every other Friday night with doors opening at 6:30pm and finishing around 10.30pm. The current classes raced are F2's ,Mini Stocks and also Hot-rods. We run a timing system to count the number of laps which shows your position in the race. It can get very competitive. We run a club championship 4 times a year with prizes awarded for the top 3 in each class. To get started we have a club car which can be hired to give you a taster to see if you enjoy it. All ages are welcome; any questions call 07976 247130 or pop in and take a look around
